Notes:

- 1 VSDF is a component unit of Vermont Student Assistance Corporation (VSAC). The financial statements of VSAC are audited for the year ending 6/30/17. While VSDF is included within the scope of this annual audit a separate opinion is not issued for it; therefore these statements should be considered unaudited. All interim period statements presented are unaudited.
- 2 Investments are presented at cost adjusted for unrealized gains or losses.
- 3 Deferred revenues represent scholarship funding received which has not been disbursed to students. Generally VSDF scholarship revenues are recognized as awards to students are disbursed, not at the time contributions/donations are received from funding agencies and donors.

Notes:

- 1 VSDF maintains funds received for annual scholarships and for termed endowments primarily as cash or money markets, due to the relative immediacy of their use. During the years ending 6/30/15 and 6/30/2016 VSDF invested a small portion of this in a short term fixed income program in order to increase earnings on these funds.
- 2 VSDF maintains funds and investments associated with its permanent endowment program in one account. Total annual permitted use is calculated and approved once a year. Cash needed to fund scholarship disbursements are transferred to checking as needed. The asset investment allocation for the periods presented and the allocation recommended per VSDF's current (4/18/16) investment policy are as follows:

Cash	0.0%	0.0%
