Public Comment

There were no public comments given during the public comment period.

Proposed Bond Authorization Resolution

Tom Little presented the previously distributed Memorandum from General Counsel and Authorizing Resolution to the Committee. Tom explained the Authorizing Resolution for the bond, including the parameters it sets for the total dollar amount of the bond and the funds VSAC itself will use for making eligible student loans. He explained that the form and content of the Authorizing Resolution are comparable to those of the last severable bond issuances, except that the notice of the public hearing and the minutes of the public hearing, and the Governor's approval letter, reflect two years of bond funding in order to secure tax exempt status for the 2025 and 2026 bonds. The bonds will not be a debt or obligation of the State of Vermont, nor a general obligation of VSAC. His Memorandum covered the principal documentation for the bonds, all to be finalized prior to closing the transaction. The Committee engaged in discussion that both Tom Little and Meghan Metzler responded to.

Meghan Metzler explained the uses of the proposed bonds and discussed the currently volatility in the bond market. Meghan Metzler explained that VSAC tries to go to market close to when federal PLUS loans are priced. VSAC also determines loan rates on the same day as the closing of the bond which reduces interest rate risk. The Committee again engaged in discussion that primarily Tom Little and Meghan Metzler responded to.

Upon a motion made by John McSoley and seconded by Michael Smith, the Finance Committee voted unanimously to recommend that the full Board of Directors approve the Authorizing Resolution, as circulated and attached to these Minutes.

Other Business

There being no other business, the meeting adjourned at 12:53 p.m.

Section 2. The Bonds shall be issued as fixed rate bonds in one or more series on a tax-exempt basis in an aggregate principal amount not to exceed \$50,000,000. The Bonds may be issued as both senior Bonds (on a parity with other bonds currently outstanding under the Indenture as senior bonds) and subordinate Bonds (on a parity with other bonds currently outstanding under the Indenture as subordinate bonds), in such respective principal amounts as an Authorized Officer (as hereinafter defined), upon advice of counsel, shall approve, the execution and delivery thereof to constitute such Authorized Officer’s approval thereof, except that the aggregate principal amount of any subordinate Bonds shall not exceed \$3,000,000. The maximum yield on the Bonds (giving effect to any original issue discount or original issue premium) shall at no time exceed 8.00% per annum in the case of senior Bonds and 9.00% per annum in the case of any subordinate Bonds. The Bonds shall mature no later than December 31, 2054. The President and CEO of the Corporation is authorized to execute and deliver a final Official Statement. Use by the Underwriter of one or more Preliminary Official Statements, final Official Statements and any supplements thereto in connection with the Bonds is hereby approved.

Section 7. The Bonds shall be special, limited obligations of the Corporation and shall only be payable out of the trust estate pledged therefor pursuant to the Indenture. For the sake of clarity, the Bonds shall not be supported by a moral obligation of the State of Vermont under Title 16, Chapter 87, Section 2867 of the Vermont Statutes Annotated.
