**Programs & Services Committee**
Chair Martha Heath summarized each of the following policies, last reviewed in 2018, noting there were no proposed changes:

- Divorced/Separated Parents
- Estimated Income

*Upon a motion made by Martha Heath and seconded by Tim Chamberlin, the Board voted unanimously to approve the Divorced/Separated Parents and Estimated Income policies, as presented.*

Martha noted that in addition to the policy review, the Committee reviewed the annual work plan for FY22 and discussed operational, federal, and state updates. Martha highlighted the two new programs that VSAC is administering for the next two years, 802 Opportunity and Green Mountain Grad. Marilyn Cargill provided the Board with an overview of both programs and noted that demographic data would be reviewed to determine who is benefiting from these programs.

**Finance Committee**
Mike Stuart reviewed the September 20, 2021 meeting which focused on the standing reports for FY21 and FY22 and FY22 private loan origination volume. Mike noted there were no new or unusual trends, with the exception of an increase to Guarantor Fees, which was the result of a late change made by the U.S. Department of Education allowing guarantors to draw revenue using a methodology that would result in equivalent revenue from if there had been no collection suspension on defaulted loans. Mike explained this resulted in an overall increase in revenue for the guarantor function and expects we will be able to draw this revenue using this methodology through the end of January 2022.

**LIBOR Updates**
Scott Giles noted that the Finance Committee will be doing a more in-depth review of the Libor interest rate index cessation, and its impact on our loans and bonds, at their next meeting. He wanted to make sure the full Board had insight into the issues and potential solutions that the Committee will be reviewing.
Mike Stuart directed members to the previously distributed materials focused on our bonds, noting that VSAC has three series of bonds whose interest rates, paid to bond owners, are tied to Libor. Mike noted the Libor rate involved is scheduled to no longer be published on June 30, 2023 and pointed out that each of the three bond Indentures do not contain acceptable Libor replacement language. Mike reviewed three options that potentially can solve the problems noting that we plan to make decisions in mid-January 2022.

The Board engaged in a discussion of Libor and the potential options, during which Mike Stuart and Scott Giles responded to member questions.

Meeting Review
Chair Dodie Mitchell reviewed the meeting with the Board and VSAC staff.

Other Business & Adjournment

Respectfully submitted,
