

FIVE ACTIONS FOR FINANCIAL AID

Action #1: Fill out the Free Application for Federal Student Aid (FAFSA).

Colleges require the FAFSA to determine eligibility for federal and institutional financial aid. VSAC requires the FAFSA as part of the Vermont grant application process.

- Visit studentaid.gov/fsa-id/create-account to create an account with Federal Student Aid (FSA). Document your username and password on this worksheet or in another safe place. Watch for an e-mail from FSA and follow instructions to verify your information.
- Log on to fafsa.gov to complete and submit your FAFSA online.

When completing your FAFSA, be sure to use accurate financial information from 2 years before you plan to enroll (e.g. use 2022 information for the 2024–2025 school year). You will provide consent for the IRS to send your tax filing status and information to the FAFSA system as part of the FAFSA application process.

If you didn't file a federal tax return, but earned wages, you may need to provide copies of the W2s to VSAC and the college. If you do not have a copy, request it from the employer(s) first. If you're unable to contact employer(s), then complete Form 4506-T found here irs.gov/pub/irs-pdf/f4506t.pdf (Q6="1040", Check the box on Q8, Q9=12/31/XXXX)

Action #2: Fill out the Vermont grant application.

Go to vsac.org and create a *MyVSAC* account (click on the MVSAC button in the upper banner of the home page). Document your username and password on this worksheet or in another safe place.

Note: When filling out the FAFSA, the FAFSA Submission Summary will provide you with an optional link to the Vermont grant application. Choosing this link will pre-fill some of your financial information from the FAFSA onto the grant application, which can be saved and accessed later.

- Apply online for the grant through your MyVSAC account. After logging in, click on the "Work with Grants" button.
- Look for an e-mail from info@vsac.org.

Action #3: Fill out other financial aid forms and applications that may be required.

- College financial aid applications — check with your college financial aid office or college website for application requirements and deadlines
- VSAC Unified Scholarship Application (USA) for VSAC-assisted scholarships — available online through your MyVSAC account (deadline: March 1, 2024)

Visit vsac.org/scholarships for additional tips, resources, and non-VSAC scholarship sites.

If you decide that you need a federal Direct student loan, complete the Direct Loan Entrance Counseling at studentaid.gov, using your FSA ID to log in. At studentaid.gov, you'll also need to sign a Master Promissory Note, again using your FSA ID (username and password) as an electronic signature.

Action #4: Watch your e-mail and postal mail.

Respond to requests (from Federal Student Aid, VSAC, and/or colleges) for missing information.

Action #5: Remember to file financial aid applications every year.

- Contact your college financial aid office to determine which forms to complete.
- Research and apply for scholarships. Renew any scholarships that are eligible for renewal.
- Contact VSAC at grants@vsac.org for additional information or answers to your questions.

IMPORTANT NAMES & NUMBERS

FSA ID at <https://studentaid.gov/fsa-id/create-account/launch> (for FAFSA and federal student loans)

E-mail address used: _____

FSA username: _____

FSA password: _____

FSA Back up code: _____

Contributor's (parent/spouse) e-mail address used (if applicable): _____

Contributor's (parent/spouse) FSA username (if applicable): _____

Contributor's (parent/spouse) FSA password (if applicable): _____
