Daytime CTE Class Options

The screenshot displays a website interface for CTE class options. At the top, there is a dark green navigation bar with a logo on the left and several menu items: QUICKLINKS, WHY SJA?, INQUIRE, SJA AFFILIATES, MAKE A GIFT, mySJA, and a search icon. On the right side of the navigation bar is an orange button labeled MENU with a hamburger icon. Below the navigation bar, the text 'PROGRAMS OF STUDY' is centered. The main content area features six program cards arranged in a 2x3 grid. Each card has a title, a background image, and a 'LEARN MORE' button with a right-pointing arrow.

Adult CTE Class Options in High School

Individual Classes

- A class typically lasting a few sessions to help the student gain skills required for a specific job. Examples range from computer based to hands on. Some examples include OSHA 10, CPR, First Aid and SERV Safe.

Short-Term Trainings which lead to Licensure

- Career-focused classes which lead to licensure. Examples include LNA, EMT, or CDL. These are intensive programs which require a combination of classroom and hands-on training.

Certificate Programs

- A certificate program is a group of related courses designed to provide students with entry-level workplace skills in a particular field. Examples include Phlebotomy, Massage Therapy, Medical Billing and Coding, and Clinical Medical Assisting.

Adult Broadband Training

You can take an Adult CTE Class during OR after High School

NURSING PATHWAY COLLABORATIVE LICENSED NURSING ASSISTANT (LNA) SUMMER 2025 INTENSIVE

Are you interested in becoming an LNA?

Our program will equip you with the essential skills and knowledge you need to excel as an LNA. Our experienced instructors will provide a nurturing and supportive learning environment as they guide you through a comprehensive curriculum that covers fundamental healthcare principles, patient care and ethical considerations essential to the role of LNAs.

You'll gain hands-on clinical experiences that simulate real-world health care settings, where you'll be able to apply your knowledge in a practical context. Whether this is an introduction to a career in healthcare or a

VSAC Financial Resources for Graduates

The Vermont Advancement Grant - The Vermont Advancement Grant is intended to help Vermonters enhance job skills that improve employability or to provide students with an introduction to a post-secondary educational program. Up to \$3000 for billable tuition & fees in 24-25 academic year; or for courses over \$4000, maximum level at 75% of tuition and fees up to \$7500

The Curtis COV Training Scholarship - Can cover up to \$1500 for eligible students. SPECIFICALLY meant for students pursuing certificate programs and credentials of value. Students must work with an EOC counselor to be nominated for this additional funding.

The Vermont Grant – For those programs that qualify for Title IV (traditional college funding), a VSAC EOC counselor can assist you in understanding your financial aid options and apply for state and federal grants to help cover the cost of a training program.

As funds are available.

Additional Financial Aid Resources

802 Opportunity – Covers tuition and fees at CCV for families with income less than \$75,000.

The TRADES Scholarship/Forgivable Loan - Can cover up to \$23,000 for tuition and \$2,000 for initial licensing fees and exam fees for families with income less than \$100,000. Agree to work in Vermont for a minimum of one year following licensure or certification completion for each year of funding in the profession for which they received funds.

As funds are available.

Educational Opportunity Center (EOC)

- VSAC's Educational Opportunity Center is a federally funded TRIO program that serves adults who do not yet have a 4-year degree
- 2/3 of the people EOC serve are the first generation in their family to pursue education/training after high school and have moderate income
- How can an EOC Counselor & VSAC Help?
 - Career Exploration
 - Education and Training
 - Financial Aid
 - Ongoing Support & Referrals

Connect with a VSAC EOC Counselor

- Learn more about training programs
- Receive help in completing financial aid applications
- One on one coaching and support
