

Short-Term Training Options

Educational Opportunity Center (EOC)

- VSAC's Educational Opportunity Center (EOC) is a federally funded TRIO program that helps **adults** who are modest income and first in their family to pursue postsecondary.
- An EOC Counselor can help with career exploration, pursuing education and training, financial aid, and community referrals

Short-Term Training & Credentials of Value

Individual Classes:

- A class typically lasting one semester or less which can help the student gain skills required for a specific job or task. Examples range from computer based to hands on. Some examples available in Vermont include Microsoft Office, Greenhouse Pest Management, OSHA 10, CPR, First Aid and SERV Safe.

Short-Term Trainings which lead to Licensure

- Career-focused classes which lead to licensure. Examples include LNA (Licensed Nursing Assistant) or CDL (Commercial Driver's License). These are typically short term but intensive programs which require a combination of classroom and hands-on training.

Certificate Programs

- A certificate program is a group of related courses designed to provide students with entry-level workplace skills in a particular field. Examples include Bookkeeping, Massage Therapy, Paramedic, Medical Billing and Coding, IT Certifications and Construction Management. It is also possible to use the credits in a certificate program as a steppingstone to an associate degree or bachelor's degree.

Vermont Registered Apprenticeship program

- Assists Vermonters in setting up structured, flexible training programs to meet the specific needs of Vermont employers through on-the-job training and related classroom instruction. There are nearly 700 active apprenticeships in Vermont in over 25 occupations. Employers participate in Registered Apprenticeships by "sponsoring" individuals as apprentices. Vermont Apprenticeships are available through a variety of partners including the Vermont Department of Labor (VDOL), Community College of Vermont and Vermont Technical College.
