

A young man with dark hair, wearing a blue denim shirt and jeans, is sitting on a concrete ledge outdoors. He is leaning against a tree trunk and looking down at a laptop computer that is open on his lap. The background is a lush green landscape with trees and foliage, slightly out of focus. A semi-transparent dark grey rectangular box is overlaid on the lower half of the image, containing the title and subtitle text.

PLANNING FOR COLLEGE OR TRAINING

Junior Year Planning Checklist

For Students & Parents

September

For many families, planning for life after high school can seem overwhelming.

For more than 50 years, we've been helping students go to college. We're here to help you too.

This step-by-step checklist will help you know what to do and when to do it.

- ☐ **Review your courses and grades with a school counselor** to be sure you're on track for graduation and college admissions requirements. Are you taking challenging math and science, plus a foreign language?
 - Talk about work-based learning and job shadow opportunities.
 - Consider taking a dual enrollment course in the spring or enrolling in early college senior year.
- ☐ **Register for the October PSAT.** Top scorers of this SAT prep test may qualify for the National Merit Scholarship Program. Find free practice quizzes and videos at kaptest.com/study/psat.
- ☐ **Attend college fairs & career fairs.** The NEACAC (New England Association of College Admission Counseling) college fairs are this month. Go to neacac.org for the schedule and locations closest to you. Start developing a list of schools that interest you.

October

- ☐ **Take the PSAT this month**, even if you already took it last year (only junior-year scores are used for the National Merit Scholarship competition). Visit kaptest.com/study/psat for free practice quizzes and videos.
- ☐ **Visit colleges.** You don't need to go far. Vermont has 15+ schools you can visit just to get a feel for different college campuses. Choose a few and visit during school breaks or on a Saturday, or attend an Open House event.

November

- ☐ **Check in.** How is the year going so far? If you need help with study strategies, test-taking skills, or organization, talk to your teachers now so you won't fall behind.
