The Governor Phil Hoff Vermont Honor Scholarship

The Governor Phil Hoff Vermont Honor Scholarship program was created in 1965 by the Vermont state legislature to recognize academic achievement among Vermont's graduating high school seniors. One student is nominated to receive this award from each eligible high school enrolling Vermont resident students. Statewide, approximately 100 students are awarded this scholarship annually. In 1999, the Vermont state legislature increased the dollar amount of this scholarship from \$100 to \$1,000 and added eligibility criteria requiring nominees to demonstrate participation in extracurricular activities and/or community service.

Eligibility:

- Be a Vermont resident;
- Be a graduating high school senior;
- Demonstrate participation in extracurricular activities and/or community service;
- Demonstrate outstanding academic achievement; and
- Plan to attend an accredited school approved for federal Title IV funding (PELL grants, Stafford loans, PLUS loans).

Amount: The Governor Phil Hoff Vermont Honor Scholarship is \$1,000 and is not renewable.
