

Additional Information

- Applications are considered on a first-come, first-served basis as long as funding is available.
- You'll be notified of your eligibility approximately 2–3 weeks after your application is complete.
- Please note: If you're applying to a school that hasn't been approved by VSAC, the processing of your application may take significantly longer.
- If you're eligible, the amount of your Advancement Grant will be calculated based on your financial need and the cost of the course, up to a maximum award that is determined each year.
- Because of limited funds, you'll be considered for only two courses per enrollment term, up to two enrollment terms per year.
- After your course has started, VSAC will contact your school to complete the online enrollment verification process. Once your enrollment has been verified, the Advancement Grant will be disbursed directly to your school.
