1. Review the booklet and identify the scholarships you’re eligible to apply for.

2. Scholarships listed on pages 5–37 require the Unified Scholarship Application (USA). Fill out the USA through your MyVSAC account at www.vsac.org. If you don’t have an account, click the MyVSAC button in the upper right of the home page at www.vsac.org. On the MyVSAC page, click “Register Now” for MyVSAC and follow instructions.

3. Submit your required documents online through your MyVSAC account and check the status of your application.

What you need to know about required documents
Each individual scholarship description on pages 5–37 indicates which documents must be submitted for your application for that scholarship to be considered complete. Not all documents described below are required for every scholarship.

- We’ll send copies of your documents (for the scholarships you’ve listed on your application) to any committee that requires it; therefore, you need to submit your documents only once.
- All documents must be submitted online or postmarked on or before the February 11, 2022, deadline.

- If you’re mailing a document to VSAC, every document must include the document name, your full name, and the last four digits of your Social Security number.
- If you’re a Vermont resident, VSAC will receive your Free Application for Federal Student Aid (FAFSA) once it’s submitted and processed. You do not need to send your Student Aid Report (SAR).

How to submit your required documents
Once you’ve submitted your Unified Scholarship Application (USA), upload required documents through your MyVSAC account. To upload your required documents:

1. Log into your MyVSAC account (use the same username you used when you submitted your USA).

• Demonstrate school/community involvement/service
• Demonstrate education/work ethic
• Be among the first generation in your family to attend college

Beware of Scams

The Federal Trade Commission (FTC) warns students to be careful in using scholarship search companies. While some firms are legitimate, others aren’t. A tip-off could be if the firm “guarantees” or “promises” scholarships or grants. No reputable firm can legitimately make such a claim.

Beware of these telltale statements:

“This scholarship is guaranteed or your money back.”
“You can’t get this information anywhere else.”
“We’ll need your credit card or bank account number to hold this scholarship.”
“We’ll do all the work for you!”
“There’s a fee to apply for this scholarship.”
“You’ve been selected by a national foundation to receive a scholarship.”
“You’re a finalist…” (in a contest you never entered)
