Virtual Career Panel *for* 7th & 8th Graders

7th and 8th grade classes are invited to join us for a facilitated career exploration Q&A that will help students think about the future, explore new possibilities, and hear directly from speakers about their work.

Panel Moderator **Kathi Terami**, *Executive Director of Careers CLIC*, will kick off the event by highlighting Vermont's Pathways to Promising Careers and close by facilitating student reflections and sharing career exploration resources.
