

VSAC programs to help build Vermont's workforce.

Workforce Development Funding

Vermont is investing millions of dollars into initiatives to address Vermont's workforce shortage.

This funding will reduce or eliminate tuition for students pursuing careers in critical fields such as skilled trades, nursing, mental health care and more.

Interest-free forgivable loans that pay up to **100% of tuition.**

- Vermont Trades
- Vermont Teacher
- Vermont Nursing
- Vermont Nurse Faculty
- Vermont Mental Health
- Vermont Psychiatric Mental Health Nurse Practitioner
- Vermont Dentist
- Vermont Dental Hygienist
- Vermont National Guard

To access these funds, eligible students sign a promissory note and agree to work full-time in their field of study for each year of forgivable loan awarded.

Applications are accepted and reviewed on a rolling basis.

Funding is awarded on a first-come, first-served basis until all funds have been depleted.
